We cant thank Ruth enough for our wedding flowers, she took the ideas out of my head and made them reality, but better!

The bouquets were absolutley gorgeous and Ruth also incorporated one of my late Grandad's peonies into my bouquet.

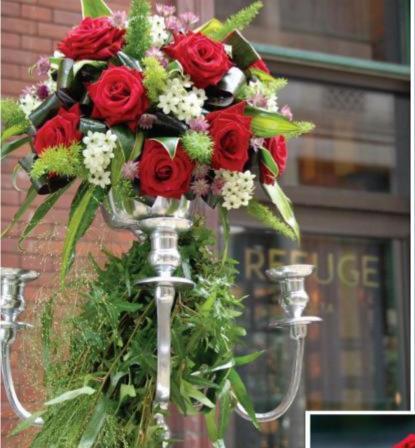

The bridesmaid's bouquets were again gorgeous, buttonholes perfect and the table decorations were so beautiful.

Thank you so much Ruth, you're amazing and made the experience of choosing my flowers so easy and enjoyable.

## DIAG

Dedicated to bringing memories back to life

#### Hey There!

Welcome to Scrawndog Media. We are a family run business based in the North West of England. If you are looking to capture all the special moments of your big day you are at the right place. Our main passion is filming weddings, but we also cover other

#### Why have a videographer?

One of the most common things people say to us, is how happy they are that they chose to have a video, Photo's are amazing, and will look great hung on your living room wall, but they won't tell the whole story, a video will capture parts of the day that we guarantee you will miss (you're going to be very busy!). Nothing can beat watching a video back, seeing the Best Man destroying the groom, hearing that lovely reading from your friend or family member, or seeing them terrible dance moves people will inevitably be chucking around. Your going to spend countless hours planning every last detail, and the day will just fly by quicker than you can imagine, and a video is the only way to ensure all those beautiful little moments can be remembered and relived years later.

I have always said I'd love to be a fly on the wall in so many situations, im sure you have too! Well we want to be your fly! We stay out of the way, don't stage anything and capture your special day exactly as it unfolds, ensuring all those magical little moments are not missed or forgotten about, you will get to relive those special memories time and time again!

#### Want to book?

Great news! Once you give us the go ahead, we just ask for 15% deposit to secure the date and complete our very short booking form. Then 14 days prior to your big day, your remaining balance will be due, once that is paid we will send you a short questionnaire just to get the running order for the day. We will then give you a quick call a week before your wedding day just to have a very quick chat and make sure everything is going to plan

## Friends film, we edit.

Your wedding will be a whirlwind. It's almost impossible to absorb and store the overload of information and emotion from your day.

That's where me and my camera come in.

My wedding film will capture all the details that took you hours (months/years!) to prepare. It'll capture all the beautiful moments, like your vows and your first dance. It'll capture all the moments you miss because you are so busy being married, hugging guests, dancing to the Macarena with an inflatable saxophone in. one hand and a champagne flute in the other!

Your wedding film will be a memento that lasts a lifetime.

WELCOME

Welcome to Us! The Newest Uni-Scent Parfum Fragrance Like No Other!

# Us is a striking unisex fragrance couples can wear on their big day

For those who are searching for that perfect fragrance for their wedding day, 'Us' is a newly launched uni-scent fragrance with a difference that adapts to the individual, offering a perfumed scent that's enchantingly feminine and an aftershave scent with a masculine edge, all in one.

Designed to celebrate individuality and blur the boundaries of traditional fragrances. With just a spritz, Us Uni-Scent Parfum effortlessly adapts to the chemistry of each person's skin, transforming into a mesmerizing scent that is truly their own.

Owner Karen Howarth-Hamilton, said: "I have always wanted to create my own perfume/fragrance because I have a few allergies and can't wear many of the designer brands. So, I went to a perfume studio and designed a fragrance that my husband and I could both wear, and 'Us' was born!"

Shoppers can head over to the website to see a list of events that Karen and the team are showcasing for 'Us', and to buy their very own bottle of the popular fragrance.

Once purchasing, individuals will be able to experience the magic of Us Uni-Scent Parfum, and be captivated by a scent that celebrates the beauty of differences, yet unites us all.

# MORGAN wedding pianist

Beautiful live piano music for your wedding day

A wonderful array of tunes, something for everybody and your own requests timed perfectly to make your day truly magical.

#### the CEREMONY

The bride and groom's choice of songs with advice anytime to help you decide. Ambient music from the arrival of the first guests.

For the bridal entrance the music will be timed flawlessly with a beautiful tailored ending. Playing will continue through the signing of the register until everybody has left the room.

#### the DRINKS RECEPTION

Typically 90 minutes of ambient music to warm up the occasion beautifully. A perfect time to have light entertainment, as guests drink and mingle while the bride and groom leave for photographs.

A good variety of music will be played, and Morgan will always interact nicely if guests stop by the piano.

#### the WEDDING BREAKFAST

Music as the bride and groom enter (their choice of song), for approx 2 hours until the speeches start.

Guests will be well-entertained with much-loved classic contemporary tunes, and anything the bride and groom have requested.

Every wedding breakfast is unique.

Morgan is a master at reading a room, and can easily adapt his music choices to suit and enhance your celebratory meal to perfection.

Groovy Revolution are a brilliant, dynamic five-piece party and wedding band ideal for any venue/occasion. They perform the best party tunes from the 60's to present day, incorporating anything from The Jackson 5 to Maroon 5, with the emphasis on energy and fun. Based in Cheshire and Manchester, their professional musicians have extensive experience nationally and overseas playing live music at corporate functions, weddings, parties, bars, clubs, hotels and universities.
